# Skyline™ SERIES

---

*Frameless glass shower enclosures offer a sleek, architectural design, with exceptionally smooth roller performance that goes beyond a traditional slider.*

Skyline™ Series frameless glass shower enclosures offer a sleek, architectural design, and can be used almost anywhere. With one fixed glass panel and one sliding glass panel, the Skyline Series features smooth rollers and a single rod at the top edge of the glass. Choose clear glass or dozens of other glass options to complement any décor.

# SKYLINE

## Skyline™ Series

Cardinal's Skyline Series presents a sleek, architectural design, with clean lines in a frameless, sliding-door glass shower enclosure. Skyline shower enclosures have one fixed glass panel and one sliding glass panel, with an optional 90-degree glass return panel available. Skyline Series enclosures can accommodate nearly any opening, and are available with dozens of glass options.

- Customizable to a wide range of widths to 72", with heights up to 80"
- 3/8" clear glass standard, with dozens of glass options available
- Exceptionally smooth rollers with single rod assembly
- Four roller configuration is standard, with three-roller option available
- 2-1/4" recessed pull for easy opening and closing, with other pull options available
- Door overlaps between 1" to 3"

### Finish Options

Skyline Series enclosures are available in four hardware finishes, Stainless Steel, Matte Black, Brushed Stainless Steel and Roman Bronze.

### Glass Options

Skyline Series enclosures are available in standard glass, patterned glass, cast glass and other options.

Artisan glass options include Satori™ printed glass, sandblasted glass, chipped edge glass and Vista™ grid pattern printed glass.

### Cardinal 10™ Surface Protection

All Skyline Series frameless enclosures are available with Cardinal's proprietary Cardinal 10™ Surface Protection as an optional upgrade. Cardinal 10 provides an extra layer of protection that creates an easy-clean, non-stick surface that repels soap scum, grime, mineral buildup, and more. Cardinal 10 can be easily maintained using a wide range of standard glass-cleaning solutions.
